RID-X (R) SEPTIC SYSTEM TREATMENT - ADVANCED FORMULA

=====

Reckitt & Colman Inc.
225 Summit Avenue
Montvale, NJ 07645

Telephone Number: (201)573-5700 (24 hrs)

Emergency Contact: CHEMTREC-for DOT emergencies only
Emergency Phone Number: (800)424-9300

=====

SECTION #1 - IDENTIFICATION

=====

Product: RID-X (R) SEPTIC SYSTEM TREATMENT - ADVANCED FORMULA

Chemical Formula: 247-24

Special Hazards: None Known

Chemical Formula: 247-24
Product Code: 01-D0418-000
UPC Code: 19200 00091

HAZARD RATINGS:

| | | | |
|----------------|--------------|-----------------|-----------|
| NFPA - Health: | 0 Negligible | HMIS - Health: | 0 Minimal |
| - Fire: | 0 Negligible | - Flammability: | 0 Minimal |
| - Reactivity: | 0 Negligible | - Reactivity: | 0 Minimal |

=====

SECTION #2 - HAZARDOUS CHEMICAL COMPONENTS

=====

None of the components are considered hazardous as defined by the OSHA Hazard Communication Standards.

=====

SECTION #3 - PHYSICAL DATA

=====

Vapor Pressure: Not Determined
Vapor Density (Air=1): Not Applicable
Specific Gravity: Not Applicable
Packing Density: 51 lbs/cu. ft.
Solubility (H2O): Dispersible
Evaporation Rate: Not Applicable
pH: 7.0 (10% solution)

Appearance

Light brown to tan granular material

SECTION #4 - FIRE FIGHTING & EXPLOSION DATA

Flash Point: Not Applicable

Flammability Class: NA

Lower Explosive Limit (%): Not Applicable

Upper Explosive Limit (%): Not Applicable

Fire and Explosion Hazards

None known.

Extinguishing Media

Use water spray, foam, dry chemical or carbon dioxide, as suitable for the surrounding fire.

Special Fire Fighting Instructions

If the fire involves large quantities of this material, wear self-contained breathing apparatus and protective clothing appropriate for fighting a typical chemical fire.

SECTION #5 - EXPOSURE EFFECTS and FIRST AID

Route of Exposure - Inhalation

Overexposure to dust can cause allergic type response in susceptible or asthmatic individuals upon repeated or prolonged exposure. The exposure required for such a response is not consistent with the product's intended pattern of use.

First Aid - Inhalation

Remove to fresh air. If necessary, get medical attention.

Route of Exposure - Skin

None known.

First Aid - Skin

None required.

SECTION #5 - EXPOSURE EFFECTS and FIRST AID Continued...

Route of Exposure - Eyes

Dust may cause slight eye irritation, due to mechanical abrasion.

First Aid - Eyes

of water. Remove contact lenses to insure a thorough flush and continue to flush with water for at least 15 minutes. If irritation persists, get medical attention.

Route of Exposure - Ingestion

None known.

First Aid - Ingestion

None required.

Miscellaneous Toxicological Information

Carcinogenicity: NTP: No IARC: No OSHA: No

Health Conditions Aggravated By Exposure

Individuals with known allergies, particularly to enzymes, as well as those individuals with chronic respiratory disease or particular susceptibility thereto and those with asthmatic conditions should avoid contact with dusty conditions.

SECTION #6 - REACTIVITY & POLYMERIZATION

Stability: Stable

Conditions to Avoid (Stability)

None Known

Incompatible Materials

None Known

Hazardous Decomposition Products

None Known

Hazardous Polymerization: Will not occur

SECTION #7 - SPILL, LEAK, & DISPOSAL PROCEDURES

Steps to be Taken in The Event of Spills, Leaks, or Release

Sweep up, minimizing airborne dust. Place into a paper bag and discard in dry trash. Spill residues may be flushed into sewer with large quantities of water.

Waste Disposal Methods

Dispose of in accordance with local, state and federal regulations.

landfill.

Other Environmental Information

None of the ingredients of this product are listed under the SARA Title III, Section 313 List of Toxic Chemicals.

=====

SECTION #8 - SPECIAL PROTECTIVE MEASURES

=====

Ventilation

None required.

Eye Protection

None required.

Skin Protection

None required.

Respiratory Protection

Emergency responders should wear a NIOSH approved dust respirator in cases where there is a likelihood of inhalation exposure to the dust.

Other Protection

None required.

=====

SECTION #9 - SPECIAL PRECAUTIONS - STORAGE & HANDLING

=====

Storage & Handling Conditions

None required.
